

At the beginning of the 07/08 school year one school district processed almost **\$2.3 MILLION DOLLARS** in **STUDENT ACTIVITY ITEMS** with **PaySchools™** online payment processing, saving thousands of hours for both parents and administrators.

Serving over 450 school districts, **PaySchools™** is an online payment solution for the **ENTIRE DISTRICT** (*for meals AND activity accounts*) providing schools with an easy and efficient method to collect fees and receive payments for school lunches, field trips, registration, prom tickets, athletic events, and any other school-related fees. **PaySchools™** makes it possible for all schools to offer parents the convenience of online purchasing without incurring large administration or setup costs.

#### Fees

PaySchools charges one flat rate per transaction. As a non-profit, our rate is among the lowest.  
No setup fee, no administrative charges, no licensing fees.  
No returned check or charge back fees are passed on to the district.

#### Set-up

Shopping cart function with unlimited number of products & services (not just lunch payments).  
No software or hardware requirements. PaySchools is web based.  
Parents access PaySchools accounts through district website.  
PaySchools will integrate into most lunch room POS applications at no cost.  
PaySchools can be accessed at each campus website (decentralized) or at the district website (centralized).

#### Payments & Deposits

Parents can pay with Visa, MasterCard, Discover & electronic check (bank draft).  
Funds are paid to the district with daily direct deposits into district bank accounts.

#### Security

Safe, secure, rapid transactions.  
Parent credit card and bank account information is not stored or visible to PaySchools or the district.

#### Reports & Notification

Complete transaction reporting available to the district.  
District can pull reports at any time by category, product, date range or customer name.  
Report information is easily uploaded into the district's financial software.
